Creating Connections in the Legal Community

Sponsor a TPCBA Event or Program

From the annual Golf Tournament to the Bar Convention and CLEs, the Tacoma-Pierce County Bar Association offers an assortment of sponsorship opportunities designed to help you connect with over 1,400 member attorneys and legal professionals. As a non-profit organization, we thank all of our sponsors for their generosity in supporting our association and its mission. With your help, we are able to offer invaluable resources to our local attorneys and the community.

Strategic Highlights

Our sponsorship opportunities allow your firm or organization to connect with legal professionals in Pierce County and our member attorneys from a variety of practice areas, levels of experience and backgrounds. Our legal professionals work in law firms, government, non-profit and other business settings. They are active in the Pierce County community and other organizations in which they serve.

The outreach and marketing plans for our programs will provide sponsors with broad visibility. Events and education programs targeted for sponsorship are geared for our entire membership or significant segments of our membership specific to practice areas.
